Multi-use bioenzymatic cleaners

Company Fact Sheet

Who We Are

Daycon Products Company is a proud supplier of cleaning products to the Mid-Atlantic region. Many of the products that Daycon provides are developed in-house by our sister company, New Dawn Manufacturing Company. New Dawn Manufacturing provides technologically advanced products, as well as private label services like custom formulations and branded packaging.

What We Do

New Dawn Manufacturing is advancing the science of cleaning, growing with our customers, and educating community members about safer and more responsible cleaning. For our clients, we focus on building partnerships and providing the following services:

- ◆ Custom Branding — we print custom labels and provide custom branded tech sheets
- ◆ High Quality Products — designed and innovated in our state-of-the-art facility
- ◆ Large Capacity — capable of producing 3 million gallons of product

Executives

Tony Zakrzewski — Director of New Dawn
Chris Swensen — Director of Technical Services

At a Glance

Founded: 1998

Location: Upper Marlboro, Maryland

Market: Mid-size cleaning companies, Hospitals,
K-12 schools, Universities, Hospitality,
Food Service, etc.

Key Facts

- ◆ All products are Phthalate, APE, DEA, and NPE free
- ◆ Team has over 60 years of experience
- ◆ Stringent testing process
- ◆ Sustainable: Over 20 green certified products
- ◆ Sizes range from quarts to 330-gallon totes
- ◆ Many satisfied clients including premier school systems throughout the region

Perfecto Neutral Cleaners

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

Perfecto Neutral Cleaners

Perfecto is a Green Seal™ certified neutral synthetic detergent formulated to remove dirt, oil, grease, food, beverage spills, and other soils from finished floor surfaces without dulling the gloss or harming, softening, or discoloring the floor finish. Perfecto comes in three pleasant smelling fragrances: cucumber melon, lavender breeze, and orange blossom.

- ◆ Will never harm floor finish at any concentration
- ◆ Leaves long lasting fragrance
- ◆ Leaves no alkali residue
- ◆ Highly concentrated and economical
- ◆ Can be used on walls, woodwork, counters, tables, and wallpaper
- ◆ Helps condition floor for dry burnishing

Cucumber Melon

Lavender Breeze

Orange Blossom

OxySmart

OxySmart is a state-of-the-art cleaner for all surfaces. OxySmart is biodegradable, made from renewable raw materials, and uses hydrogen peroxide as one of its active ingredients.

- ◆ Dilution: 1:8 for heavy duty degreasing, 1:16 for general purpose cleaning, 1:32 for carpets and floors, and 1:64 for glass
- ◆ Cleans multiple surfaces
- ◆ Brightens while it cleans
- ◆ Removes stains
- ◆ Ideal for cleaning grout
- ◆ May be used through a multiple dilution dispensing system

Oxysmart SC

OxySmart SC is a Green Seal™ certified general purpose cleaner for all surfaces. OxySmart SC will brighten surfaces while it cleans, and the hydrogen peroxide makes cleaning easier.

- ◆ Dilution: 1:32 for degreasing, 1:64 for general purpose cleaning, 1:128 for carpets and floors, and 1:128 for glass
- ◆ Biodegradable
- ◆ Brightens while it cleans
- ◆ Removes stains
- ◆ Ideal for cleaning grout
- ◆ May be used through a multiple dilution dispensing system

Kleer 'N Brite

Kleer 'N Brite is a Green Seal™ certified neutral synthetic detergent formulated to remove dirt, oil, grease, beverage spills, and other soils from finished floor surfaces without dulling the gloss or harming the floor finish.

- ◆ Green Seal Certified
- ◆ Will never harm floor finish at any concentration
- ◆ Leaves no alkali residue
- ◆ Highly concentrated and economical
- ◆ Can be used on walls, woodwork, counters, tables, and wallpaper
- ◆ Helps condition floor for dry burnishing

Degreasers

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

Citra-D

Citra-D is a ready-to-use citrus cleaner and degreaser that quickly dissolves grease, grime, and more. Citra-D may be used on hard surfaces or as a spot remover for carpets and laundry.

- ◆ Biodegradable
- ◆ Phosphate free
- ◆ Contains no petroleum solvents
- ◆ Contains natural citrus solvents
- ◆ Safe to the environment and end user

Dayclean 29

Dayclean 29 is a heavy-duty industrial cleaner and degreaser designed for print shops, duplicating machine cleaning, ink removal, etc.

- ◆ Cleans presses and most equipment without using flammable or dangerous solvent
- ◆ Can be flushed off with plain water
- ◆ Mild odors, pleasant to use
- ◆ Can be diluted for most cleaning chores
- ◆ Biodegradable & phosphate free

Concern

Concern is a concentrated cleaner and degreaser made from all natural solvents derived from citrus peel.

- ◆ Contains no butyl, petroleum, or chlorinated solvent
- ◆ Does not release any harmful vapors or fumes
- ◆ Highly concentrated
- ◆ Dissolves tar, asphalt, adhesives, and many inks
- ◆ pH neutral - contains no acids or alkalis
- ◆ Biodegradable, bio-based

Essence

Essence is a Green Seal™ certified heavy-duty degreaser and emulsifier.

- ◆ Green Seal™ Certified
- ◆ Pleasant to use, contains no solvents, ammonia, caustics, or acid
- ◆ Emulsifies oil and grease better than competitive products
- ◆ Highly concentrated for economy of use
- ◆ Can be used in automatic scrubbers
- ◆ Removes exhaust, soot and road film without solvents or strong alkalis
- ◆ Biodegradable

Grease Release

Grease Release is a concentrated enzymatic formula designed to eliminate the build up of oil and grease.

- ◆ Contains over 146 billion enzyme producing bacteria per gallon
- ◆ No harsh chemicals
- ◆ Biodegradable
- ◆ Non-toxic
- ◆ Helps prevent slippery floors
- ◆ May be used in kitchens and bathrooms
- ◆ Excellent product for loading docks & dumpsters
- ◆ Helps maintain floor drains

Industrial Plus

Industrial Plus is a heavy-duty degreaser and emulsifier that is excellent for mildew removal on hard surfaces.

- ◆ Contains no solvents, ammonia, or caustics.
- ◆ Holds oil and grease in suspension well
- ◆ Highly concentrated for economy of use
- ◆ Removes ink
- ◆ Can be used in automatic scrubbers
- ◆ Removes exhaust, soot, and road film without solvents or strong alkalis
- ◆ Biodegradable
- ◆ May be used as a floor finish stripper

Power Plus

Power Plus is a concentrated butyl degreaser formulated for heavy-duty cleaning. It has excellent oil and grease removal properties.

- ◆ Contains no ammonia or caustics
- ◆ Biodegradable formula
- ◆ Highly effective on petroleum oils and greases
- ◆ Concentrated for economy of use
- ◆ Effective in all temperatures of water

RTU Awesome

Awesome is a heavy-duty disinfectant and degreaser for use on all hard surfaces. This formulation is safe and effective for all type of soils where both cleaning and disinfecting are important.

- ◆ Ready-to-use
- ◆ Cleans, disinfects, and deodorizes
- ◆ Controls mold and mildew as well as many bacteria and viruses
- ◆ Kills Mycobacterium Tuberculosis
- ◆ Phosphate free formula

Pine Scented Disinfectant	Pine scented neutral disinfectant	GAL	296870
RTU Awesome	Ready-to-use disinfectant/degreaser	QUART GAL	ND32610 667275

AFBC

AFBC is a ready-to-use detergent/disinfectant formulated to clean and disinfect as well as deodorize hard, non-porous, inanimate surfaces.

- ◆ Acid Free Bathroom Cleaner
- ◆ Ready-to-use
- ◆ Disinfects, deodorizes, and cleans in one operation.
- ◆ Controls mold and mildew
- ◆ Phosphate free formula
- ◆ Kills Mycobacterium Tuberculosis and other viruses

RTU Awesome

Awesome is a heavy-duty, disinfectant and degreaser for use on all hard surfaces. This formulation is safe and effective for all type of soils where both cleaning and disinfecting are important.

- ◆ Ready-to-use
- ◆ Cleans, disinfects, and deodorizes
- ◆ Controls mold and mildew as well as many bacteria and viruses
- ◆ Kills Mycobacterium Tuberculosis
- ◆ Phosphate free formula

Full Count

Full Count offers the safety of a dual quaternary disinfectant, while providing the kill needed to meet the OSHA Blood borne Pathogen Standard.

- ◆ All-in-one: sanitizer/ disinfectant / mildewstat / virucide / deodorizer
- ◆ Easy to use
- ◆ Neutral pH
- ◆ May be used to sanitize carpets

KBQ-32

KBQ-32 is a very effective, non-phosphate neutral pH disinfectant designed for institutions needing to control cross contamination.

- ◆ Cleaner, deodorizer, disinfectant, mildewcide, fungicide, & virucide
- ◆ Phosphate free
- ◆ Effective disinfectant for veterinarian use
- ◆ Effective in the presence of organic soil

KBQ-256

KBQ-256 is a phosphate-free disinfectant cleaner. It's a multi-purpose, neutral pH germicidal detergent and deodorant.

- ◆ Cleans, disinfects, and deodorizes in one labor-saving step
- ◆ Neutral pH, will not dull floor finish
- ◆ When used at ½ ounce per gallon of water, it exhibits effective virucidal activity
- ◆ At the ½ ounce per gallon dilution, this product demonstrates effective disinfectant activity

MDRO/MRSA One-Step

MDRO/MRSA One-Step is effective against a number of multi-drug resistant organisms including Methicillin Resistant Staphylococcus.

- ◆ Kills *Acinetobacter baumannii* and Methicillin Resistant *Staphylococcus Aureus*
- ◆ Controls mold and mildew such as *Aspergillus niger*
- ◆ Cleaner and Deodorizer
- ◆ Will not harm floor finish
- ◆ Excellent cleaning and soil dispersion
- ◆ Economical dilution of 1 ounce per gallon

Lemon Quat

Lemon Quat is a very effective, non-phosphate neutral pH disinfectant designed for institutions needing to control cross contamination.

- ◆ Cleaner, deodorizer, disinfectant, mildewcide, fungicide, & virucide
- ◆ Phosphate free
- ◆ Effective disinfectant for veterinarian use
- ◆ Effective in the presence of organic soil

Pine Scented Disinfectant

Pine Scented Disinfectant is a very effective, non-phosphate neutral pH disinfectant, cleaner, deodorizer, virucide, mildewcide, and fungicide.

- ◆ Leaves a lingering, fresh pine scent
- ◆ Leaves no alkali residue
- ◆ Excellent hard surface cleaning
- ◆ Tested to be effective against *staphylococcus aureus*, *salmonella choleraesuis*, and *pseudomonas aeruginosa*

Odor Counteractants

Daycons's Odor Counteractants

Dayfresh Cherry Almond	Cherry almond scented deodorizing solution	55 GAL	846515
Dayfresh Floral	Floral scented deodorizing solution	GAL	841760
Dayfresh Island Fusion	Island fruit scented deodorizing solution	GAL	617100
Dayfresh Lemon	Lemon scented deodorizing soluiton	GAL	426237
DX-55	Deodorizing solution	GAL	575041
DX-66	Lemon-gum scented deodorizing solution	GAL	229738

DX-55

DX-55 is a super concentrated, water soluble, deodorizing solution for use as a space spray, garbage area spray, or to be added to carpet cleaners, general purpose cleaners, pesticides, and laundry rinse cycles. It is a blend of natural and synthetic aromatic odorants and deodorizing chemicals, and leaves a fresh floral fragrance.

- ◆ Fresh pleasant lingering fragrance
- ◆ Can be mixed with all cleaning solutions
- ◆ Highly concentrated; one ounce per gallon for deodorizing
- ◆ Mixes easily with water
- ◆ Will not stain
- ◆ Fresh floral fragrance

DX-66

DX-66 is a super concentrated water-soluble deodorizing solution for use as a space spray, garbage area spray, or to be added to carpet cleaners, general purpose cleaners, pesticides, and laundry rinse cycles. DX-66 is a blend of natural and synthetic odorants and deodorizing chemicals, and can be mixed safely with all other cleaning solutions

- ◆ Can be mixed with all cleaning solutions
- ◆ Highly concentrated; needs one ounce per gallon for deodorizing
- ◆ Mixes easily with water
- ◆ Will not stain
- ◆ Fresh fruity fragrance

Dayfresh Odor Counteractants

Dayfresh is a concentrated, water soluble, deodorizing solution for use as space spray, garbage area spray, or to be added to carpet cleaners, general purpose cleaners, pesticides, and laundry rinse cycles. Dayfresh can also be added directly to urinals, commodes, floor drains, and traps.

- ◆ Fresh pleasant lingering fragrance
- ◆ Can be mixed with all cleaning solutions
- ◆ Blend of natural and synthetic aromatic odorants and deodorizing chemicals
- ◆ Highly concentrated
- ◆ Mixes easily with water
- ◆ Will not stain

Spectra System 1 Products

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

All of these products have been approved by the Carpet and Rug Institute.

Glass & Multi-Surface Cleaner

Spectra System 1 Glass & Multi-Surface Cleaner is a state-of-the-art, non-ammoniated glass and multi-surface cleaner concentrate.

- ◆ Color coded for easy recognition
- ◆ No measuring required
- ◆ Simplifies training of users; bridges language barriers
- ◆ Highly concentrated formula
- ◆ Choice of automatic dispensing system or buddy jug system
- ◆ Easy control of chemical usage
- ◆ Reduction in waste

Heavy Duty Degreaser

Spectra System 1 Heavy-Duty Degreaser is a highly concentrated heavy-duty degreaser/emulsifier.

- ◆ Contains no solvents, ammonia, or caustics
- ◆ Color coded for ease of use
- ◆ Quat-based detergent kills odors as it cleans
- ◆ Reduction in waste
- ◆ Easy control of chemical usage
- ◆ Choice of automatic dispensing system or buddy jug system
- ◆ Simplifies training of users; bridges language barriers
- ◆ No measuring required

Neutral Cleaner

Spectra System 1 Neutral Cleaner is a neutral synthetic detergent formulated to remove dirt, oil, grease etc.

- ◆ Green Seal Certified
- ◆ Will never harm floor finish at any concentration
- ◆ Leaves no alkali residue
- ◆ Highly concentrated— economical
- ◆ Can be used for walls, woodwork, counters, tables, and wallpaper
- ◆ Helps condition floor for dry burnishing
- ◆ Biodegradable

Spectra System 1 Products

Triad

Spectra System 1 Triad is a high-efficiency, deep cleaning, encapsulating carpet cleaner.

- ◆ High-efficiency, deep-cleaning formula
- ◆ Low foaming
- ◆ Built-in odor counteractants
- ◆ Enhances the soil resistance of the carpet
- ◆ Safe for stain resistant carpets (low alkalinity)
- ◆ Biodegradable, phosphate free
- ◆ Will not cause carpet brown-out
- ◆ No VOC's
- ◆ Green Seal Certified and Carpet and Rug Institute Approved

Floor Wax & Finish Remover

Spectra System 1 Floor Wax & Finish Remover is a high efficiency wax and finish remover formulated to remove severe build-ups.

- ◆ Reduce time and effort needed to remove finish
- ◆ Lower alkalinity than most buildup strippers
- ◆ No ammonia or strong solvent odor

DX-55

Spectra System 1 DX-55 is a super concentrated, water-soluble deodorizing solution for use as space spray, garbage area spray, or to be added to carpet cleaners, general purpose cleaners, and laundry rinse cycles.

- ◆ Fresh pleasant fruity fragrance
- ◆ Can be mixed with all cleaning solutions
- ◆ Highly concentrated; one ounce per gallon for deodorizing
- ◆ Mixes easily with water
- ◆ Will not stain

Spectra System 3 Products

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

All of these products have been approved by the Carpet and Rug Institute.

Clear Choice

Spectra System 3 Clear Choice is a solvent-free, glass and multi-surface concentrated cleaner with state-of-the-art thin film polymer technology.

- ◆ Green Seal Certified
- ◆ Biodegradable
- ◆ No VOCs
- ◆ Dries streak-free
- ◆ Contains no solvents, caustics or acids
- ◆ Can be used on multiple hard surfaces

Degreeze

Spectra System 3 Degreeze is a heavy-duty degreaser and emulsifier designed for use in difficult-to-clean areas.

- ◆ Green Seal Certified
- ◆ Pleasant to use, contains no solvents, ammonia, caustics, or acid
- ◆ Highly concentrated for economy of use
- ◆ Can be used in automatic scrubbers
- ◆ Removes exhaust, soot and road film without solvents or strong alkalis
- ◆ Biodegradable

Neutral Disinfectant 1:128

Neutral Disinfectant 1:128 is a hospital-grade disinfectant and neutral cleaner when used at 1 ounce per gallon even in hard water up to 400ppm as CaCO₃, and in the presence of 5% blood serum.

- ◆ Kills Acinetobacter baumannii and Methicillin Resistant Staphylococcus Aureus, two bacteria of particular concern to hospitals.
- ◆ Will not harm floor finish
- ◆ Excellent cleaning and soil dispersion
- ◆ Neutral pH

Renew

Spectra System 3 Renew is a neutral synthetic detergent formulated to remove dirt, oil, grease etc.

- ◆ Green Seal Certified
- ◆ Will never harm floor finish at any concentration
- ◆ Leaves no alkali residue
- ◆ Highly concentrated— economical
- ◆ Can be used for walls, woodwork, counters, tables, and wallpaper
- ◆ Helps condition floor for dry burnishing

Spectra System 3 Products

Triad

Spectra System 3 Triad is a high-efficiency, deep cleaning, encapsulating carpet cleaner.

- ◆ High-efficiency deep-cleaning formula
- ◆ Low foaming
- ◆ Built-in odor counteractants
- ◆ Enhances the soil resistance of the carpet
- ◆ Safe for stain resistant carpets (low alkalinity)
- ◆ Biodegradable, phosphate free
- ◆ Will not cause carpet brown-out
- ◆ No VOC's
- ◆ Green Seal Certified and Carpet and Rug Institute Approved

Vibrance

Spectra System 3 Vibrance is an organic salt that acts like an acid, and it has a pH of less than one.

- ◆ Green Seal Certified
- ◆ Non-regulated product for DOT
- ◆ No phosphates or VOCs
- ◆ Non-fuming
- ◆ Dissolves calcium carbonate build-ups
- ◆ Does not contain hydrochloric acid, phosphoric acid, or hydroxyacetic acid
- ◆ Made-up of components affirmed by the FDA as generally recognized as safe (GRAS)

Neutral Disinfectant 1:256

Neutral Disinfectant 1:256 is a hospital-grade disinfectant and neutral cleaner when used at 1 ounce per gallon even in hard water up to 400ppm as CaCO₃, and in the presence of 5% blood serum.

- ◆ Controls mold and mildew such as *Aspergillus niger*
- ◆ Mildewstat, deodorizer, and cleaner
- ◆ Broad spectrum virucide and disinfectant
- ◆ Will not harm floor finish
- ◆ Excellent cleaning and soil dispersion
- ◆ Effective for veterinarian use

Maintainer Plus

Spectra System 3 Maintainer Plus is a high- or low-speed maintainer for acrylic and acrylic/urethane floor finishes that can be used as a mop on product or spray buff.

- ◆ Increases slip resistance
- ◆ High dilution factor for economy use
- ◆ Restores gloss and appearance without finish buildup
- ◆ Does not soften finish surface
- ◆ Burnishes out quickly for productivity
- ◆ Excellent cleaner

Floor Finishes

These products meet or exceed the CSPA and UL slip resistance standard of 0.5 minimum as tested on a James Machine by an outside laboratory in accordance with ASTM D2047-99 or UL Method 410.

These products meet Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

Crystal Brite

Crystal Brite is zinc-free and alkyl phenyl ethoxylate (APE) free. It contains no phthalates, and is low in VOC content. It has excellent scuff, scratch and heel mark resistance, and retains a high gloss under heavy traffic conditions.

- ◆ Contains no zinc, heavy metals, APE's or phthalates
- ◆ Self cross linking
- ◆ Sealer/Finish
- ◆ Contains no alkyl phenyl ethoxylates (APE) or phthalates
- ◆ High initial gloss and exceptionally clear finish
- ◆ Extremely durable
- ◆ Does not yellow
- ◆ May be dry burnished

Top Gun

Top Gun is an innovative, ultra-high durability, high-gloss floor finish and seal based on a fluorinated acrylic polymer. It also has improved stain and soil resistance, making it ideal for high traffic usage such as schools, hospitals etc.

- ◆ Excellent Initial Gloss
- ◆ Excellent Burnish Response
- ◆ Lasts 50% longer than conventional finishes
- ◆ Labor savings due to reduced maintenance
- ◆ Based on a fluorinated acrylic polymer
- ◆ Low VOCs

Deep Lustre 25

Deep Lustre is a high solids, extended wear, scratch and scuff resistant, non-yellowing pure acrylic floor seal and finish. It contains a state-of-the-art highly cross linked polymer.

- ◆ Requires less maintenance than conventional floor finishes
- ◆ 25% solids formula requires less coats
- ◆ Contains a state-of-the-art highly cross linked polymer
- ◆ Acrylic polymer resists yellowing with age
- ◆ High clarity brings out true color and gloss of floor
- ◆ Dries in 20 to 30 minutes

These products meet or exceed the CSPA and UL slip resistance standard of 0.5 minimum as tested on a James Machine by an outside laboratory in accordance with ASTM D2047-99 or UL Method 410.

Sunbrite

Sunbrite is an ultra-durable, high gloss thermoplastic seal and finish for all types of stone and tile floors.

- ◆ Extremely scuff, scratch, and wear resistant
- ◆ Easily burnished to a high gloss
- ◆ Can apply up to six coats in one day
- ◆ Can be used with low speed machines in spray buff programs
- ◆ Detergent-resistant, but easily strippable
- ◆ Non-yellowing, hazing, or clouding
- ◆ Fast drying

EZ-33

EZ-33 is a high-solids floor finish that can be applied with a conventional finish mop.

- ◆ Labor savings due to reduced maintenance
- ◆ 33% solids formula requires less coats
- ◆ Dazzling gloss
- ◆ Applies like standard floor finish
- ◆ High-speed formulation
- ◆ 3 coats of EZ-33 is equivalent to five or six coats of conventional finishes

Fast Break

Fast Break is a high solid, rapid cure wood floor coating for gymnasiums, multi-purpose rooms, etc.

- ◆ Waterborne
- ◆ Self cross linking
- ◆ Fast drying
- ◆ Quickly reaches a full cure
- ◆ Can be burnished
- ◆ No VOC content
- ◆ Ease of application

Flexcoat

Flexcoat is a urethane-acrylic floor finish specifically formulated to finish rubberized floors and synthetic all-purpose sport floors.

- ◆ Resists traffic and wear
- ◆ Excellent adhesion to all surfaces
- ◆ Tough and flexible
- ◆ Will not discolor
- ◆ May be used with ultra-high speed
- ◆ May be used on Permagrain flooring
- ◆ May be used on Pirelli tile

Maximize Your Floor Finish

By Following Our
4-Step Process

1

Apply Finish

Crystal Brite & Top Gun

- Excellent Initial Gloss
- Excellent Burnish Response
- Extremely durable
- Low VOCs
- Lasts 50% longer than conventional finishes
- 40% less labor to maintain the floor

with peach pad

Kleer 'N Brite & Perfecto

- These products are also useful for top scrubbing
- Dual use of the products saves money
- Use with peach pad to maximize the life of your floor
- Leaves a pleasant fragrance

Kleer 'N Brite & Perfecto

Floor Maintainers

Daycon's Floor Maintainers

BG-27	Wet look burnishing gel	QUART	ND32300
Maintainer Plus	Acrylic and urethane floor finish maintainer	GAL 64 OZ	208750 564655
RTU Express	Floor spray cleaner and polish	QUART GAL	ND32730 RTUEXPRESSGAL
Spray Buff	Low-speed floor machine spray cleaner and polish	QUART	789909
Sunrise	High-speed acrylic and urethane floor finish maintainer	GAL	229738

BG-27

BG-27 is a state-of-the-art, ready-to-use formula for all acrylic and urethane floor finishes. BG-27 gives floors the “wet look” with the use of very little labor and product.

- ◆ Ready-to-use formula
- ◆ Will not soften surface of floor
- ◆ Will not affect top coating or recoating
- ◆ Contains no oils, solvents, or waxes
- ◆ Cleans as it polishes

RTU Express

RTU Express is a spray cleaner and polish formulated for use on all floor finishes and types of floors. It removes surface oil, stains, scuffs, and heel marks as it brings up a deep clear shine.

- ◆ Excellent cleaning ability
- ◆ Resin emulsion helps repair worn areas
- ◆ Contains no ammonia or alkalis that soften finish
- ◆ Deep hard shine resists scuffs and scratches

Spray Buff

Spray Buff is a ready-to-use spray cleaner and polish formulated for use with low-speed floor machines. It contains solvents to remove dirt, scuffs, and scratches; plasticizers to revitalize the surface; and gloss enhancing resins to give a brilliant shine.

- ◆ Ready-to-use formula
- ◆ Will not soften surface of floor
- ◆ Contains no wax
- ◆ Will not affect top coating or recoating

Maintainer Plus

Maintainer Plus is a high or low speed maintainer for acrylic and acrylic/urethane floor finishes. It can be used as a mop on product or spray buff. Maintainer Plus not only gives a high gloss and wet look, but it is also an excellent cleaner

- ◆ Increases slip resistance
- ◆ High dilution factor for economy use
- ◆ Restores gloss and appearance without finish buildup
- ◆ Does not soften finish surface
- ◆ Burnishes out quickly for productivity
- ◆ Excellent cleaner

Sunrise

Sunrise is a high-speed maintainer for acrylic and acrylic/urethane floor finishes. It is a ready-to-use spray buff. Sunrise gives a high gloss and wet look. It will remove surface scratches, scuffs, and heel marks as it brings up a deep clear shine.

- ◆ Increases slip resistance
- ◆ Ready-to-use
- ◆ Restores gloss and appearance without finish buildup
- ◆ Does not soften finish surface
- ◆ Burnishes out quickly for productivity

Renegade	1:24 floor finish remover	QUART	ND32040

Floor Strippers

These products meet Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

Meteor

Meteor floor finish stripper is a high-efficiency odorless stripping concentrate. It is low foaming and can be easily rinsed.

- ◆ Low VOC
- ◆ No neutralization necessary
- ◆ Green Seal Certified

Hurricane

Hurricane is a high efficiency stripper for heavy build-ups. Its low alkalinity makes it the ideal stripper for marble, terrazzo, slate etc.

- ◆ Low alkali content makes rinsing easier; leaves no white residue
- ◆ Removes ultra high speed and urethane based finishes
- ◆ Excellent grout and mortar cleaning ability
- ◆ Safe on stone and brick floors
- ◆ Contains no ammonia or caustics

G-Force

G-Force is a high efficiency wax and finish remover formulated to remove severe build-ups. Although mechanical agitation is preferable, G-Force can be used as a “mop on - mop off” product if a buffer or scrubber is not available.

- ◆ Reduce time and effort needed to remove finish
- ◆ No ammonia or strong solvent odor

Renegade

Renegade is a super concentrated floor finish stripper. It can be diluted 24 parts water to 1 part stripper and will quickly remove high finish buildup.

- ◆ 1:24 dilution ratio
- ◆ Low odor
- ◆ No caustics
- ◆ No need to neutralize
- ◆ Rapid removal of high buildup
- ◆ One quart makes six gallons stripping solution

Concrete & Stone

Daycon's Concrete & Stone

ACAGC	Acidic concrete and grout cleaner	GAL 5 GAL	581798 920147
Hydro Shield	Protective impregnator for stone, concrete, terrazzo etc.	GAL	987205
Industrial Plus	Heavy duty degreaser & emulsifier	GAL 55 GAL	202564 INDPL55GAL
Optimum Shield	Concrete hardener, sealer and finish	GAL 5 GAL	951802 951803
Supreme Shield	Protectant for concrete & stone	GAL 55 GAL	648520 648521

ACAGC

Acidic Concrete and Grout Cleaner is an organic salt that acts like an acid, having a pH of less than one, but also having exceptional safety. ACAGC has excellent lime, rust, and scum removal, and brightens the grout and stone while it cleans.

- ◆ No VOCs
- ◆ Non-fuming
- ◆ Exceptional safety
- ◆ Dissolves calcium carbonate buildups
- ◆ Does not contain hydrochloric acid or hydroxyacetic acid
- ◆ Brightens while it cleans
- ◆ Biodegradable

Industrial Plus

Industrial Plus is a heavy-duty degreaser and emulsifier formulated for use in difficult to clean areas such as trash rooms, warehouses, etc. Industrial Plus is also completely biodegradable.

- ◆ Contains no solvents, ammonia, or caustics.
- ◆ Holds oil and grease in suspension well
- ◆ Highly concentrated for economy of use
- ◆ Excellent for mildew removal on hard surfaces
- ◆ Removes ink
- ◆ Can be used in automatic scrubbers
- ◆ Removes exhaust, soot, and road film without solvents or strong alkalis
- ◆ Biodegradable
- ◆ May be used as a floor finish stripper

Hydro Shield

Hydro Shield is a stable, emulsion of silanes and siloxanes that penetrates a wide variety of mineral substrates to give excellent repellency.

- ◆ Lengthens substrates life
- ◆ Reduces maintenance costs
- ◆ Formulated to minimize darkening effects and not change the substrates appearance
- ◆ Good compatibility on high alkaline surfaces
- ◆ UV stable
- ◆ Resistant to biological contamination
- ◆ Substrates remain vapor permeable to resist cracking
- ◆ Provides water repellency

Optimum Shield

Optimum Shield is a high solids, water-based permanent seal and finish that hardens and densifies concrete floors and other calcium containing stone substrates.

- ◆ For use on all concrete, including stamped, colored or stained
- ◆ Safe to use, not flammable
- ◆ Permanent, penetrating protection
- ◆ Dustproofs concrete
- ◆ Applicators and equipment can be cleaned with water
- ◆ Protects concrete from water, detergent, and chemical attack
- ◆ Coating is repairable
- ◆ Hardens concrete against abrasion
- ◆ High gloss and excellent clarity

Supreme Shield

Durashield is a protective coating for duranotic aluminum and other metal surfaces. It adds luster to the treated metal while protecting it from the weather and pollution.

- ◆ Lengthens substrates life
- ◆ Formulated to minimize darkening effects and not change the substrates appearance
- ◆ Good compatibility on high alkaline surfaces
- ◆ Resistant to biological contamination
- ◆ Substrates remain vapor permeable to resist cracking
- ◆ Provides oil repellency; makes oil and grease easier to remove

All of these products have been approved by the Carpet and Rug Institute.

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

Triad Plus

Triad Plus is a state-of-the-art formula for use in carpet extraction, shampooing, bonnet cleaning, and spotting.

- ◆ More concentrated than Triad
- ◆ Low foaming
- ◆ Built-in odor counteractants
- ◆ Enhances the soil resistance of the carpet
- ◆ Safe for stain resistant carpets (low alkalinity)
- ◆ Biodegradable, phosphate free
- ◆ Will not cause carpet brown-out
- ◆ No VOC's

Dilution Ratio

3 oz. per gallon

Triad

Triad is a more economical formulation of Triad Plus formulated to be highly effective on oily types of soil as well as most other common soils

- ◆ High-efficiency deep-cleaning formula
- ◆ Low foaming
- ◆ Built-in odor counteractants
- ◆ Enhances the soil resistance of the carpet
- ◆ Safe for stain resistant carpets (low alkalinity)
- ◆ Biodegradable, phosphate free
- ◆ Will not cause carpet brown-out
- ◆ No VOC's

Dilution Ratio

12 oz. per gallon

Gone II

Gone II is a highly effective, general purpose carpet spotter with encapsulating chemistry to control odors and brighten carpets.

- ◆ Can be used as a traffic lane pre-spray as is or diluted
- ◆ Special solvent blend and surfactant system makes it more effective on stains
- ◆ Rinses freely and completely
- ◆ Dries to a hard crystal/film
- ◆ Leaves no tacky residue, preventing re-soiling
- ◆ Will not hurt backing, pads, or cause alkaline brown-out

Bonnet Cleaners & Others

Fresh 'N Clean

Fresh 'N Clean is a 100% active blend of natural citrus solvents and deep-cleaning detergents designed for use as a traffic lane pre-spray or bonnet cleaning solution.

- ◆ Natural solvent base is ecologically and humanly safer than petroleum or chlorinated solvents
- ◆ Loosens and removes many soils water based chemicals cannot attack
- ◆ Deodorizes as it cleans naturally
- ◆ Leaves a fresh orange fragrance

Laurel-D

Laurel-D is a blend of detergents, foam boosters, soil suspending agents and brighteners formulated for the safe and effective shampooing of all types of carpeting.

- ◆ Leaves no tacky or oily residue that can cause fast re-soiling
- ◆ Removes dried residue by vacuuming
- ◆ Concentrated: use 1:15 for rotary, 1:30 for dry foam or bonnet
- ◆ Contains no soap
- ◆ Can be used on wet cleanable upholstery, wall covering, or drapery

Spray 'N Clean

Spray 'N Clean is a bonnet cleaning solution designed for use on all carpet surfaces. It's a fast and easy method to rejuvenate dingy carpeting.

- ◆ Easy to use; simply spray carpet surface and pickup dirt with a carpet bonnet
- ◆ Fast drying
- ◆ Quickly removes traffic lanes, many spills, stains and surface dirt
- ◆ Safe and pleasant to use; contains no petroleum or chlorinated solvents
- ◆ Loosens oils and grease quickly
- ◆ Faster and simpler than rotary shampooing

PCS

PCS is a detergent booster and safe oxygen bleaching agent. When added to detergent solutions, it will brighten colors, remove or lighten many stains, and remove odors left behind by many types of algae, fungus, and bacteria.

- ◆ Safe on all fabrics and most colors
- ◆ No chlorine
- ◆ Odorless
- ◆ Mixes safely with all non-acid cleaners
- ◆ Destroys many odors

DX-50

DX-50 is a concentrated formula containing selected strains of natural enzyme producing bacteria that work to eliminate mal-odors and stains caused by urine, feces, vomit, and other organic matter.

- ◆ Contains over 80 billion enzyme producing bacteria per gallon
- ◆ No harsh chemicals
- ◆ Readily biodegradable
- ◆ Non-toxic
- ◆ EcoLogo Certified UL 2792

Great Stuff!

Great Stuff combines long-lasting biotechnology with state-of-the-art odor control chemistry to rapidly bind odor and stain causing molecules so they can be immediately degraded.

- ◆ Formulated for hard surfaces and fabrics
- ◆ Contains no solvents
- ◆ Neutralizes smoke odors
- ◆ Removes odors and stains
- ◆ Contains no VOCs
- ◆ Biodegradable
- ◆ Contains no caustics or acids

Tanform

Tanform is a blend of penetrants and mild organic acid designed to safely remove tannin stains and brown-out from carpet and fabric.

- ◆ Mild acid
- ◆ Works on carpet and fabric
- ◆ Removes coffee, tea, and other beverage stains
- ◆ Removes brown-out stains caused by high alkalinity
- ◆ Extends life of extractor machine

Rescue 96

Rescue 96 is a citrus solvent used as an alternative to ozone depleting chlorinated solvents.

- ◆ Dries quickly
- ◆ Leaves no residue
- ◆ Dissolves many stains on contact
- ◆ Can be used on upholstery, draperies, bedspreads, etc.
- ◆ Removes tape and adhesive residue from glass, metal, and flooring
- ◆ Naturally derived

Grime Reaper

Grime Reaper combines advanced cleaning technology with beneficial specialized microbes that penetrate surfaces and degrade organic build-up and their associated odors.

- ◆ Contains over 200 billion enzyme producing bacteria per gallon
- ◆ No harsh chemicals
- ◆ Biodegradable
- ◆ Non-toxic
- ◆ Helps prevent slippery floors
- ◆ For use in restrooms, showers, locker rooms
- ◆ Helps maintain drains

Vibrance

Vibrance is an organic salt that acts like an acid, having a pH of less than one, but has exceptional safety. Vibrance has excellent lime, rust, and soap scum removal, as well as very good grease removal.

- ◆ Non-regulated product for D.O.T.
- ◆ No phosphates or VOCs
- ◆ Non-fuming
- ◆ Dissolves calcium carbonate buildups
- ◆ Does not contain hydrochloric acid, phosphoric acid, or hydroxyacetic acid
- ◆ Made-up of components affirmed by the FDA as generally recognized as safe (GRAS)
- ◆ Readily biodegradable

Harmony

Harmony is a mildly acidic, non-abrasive restroom cleaner designed to remove water spots, mineral deposits, soap scum, scale, and other bathroom and shower related soils from all hard surfaces.

- ◆ Does not give off harmful gasses or vapor
- ◆ Safe on most surfaces
- ◆ Keeps shiny surfaces looking bright and clean
- ◆ Non-abrasive cleaner will not scratch plastic or shiny metals
- ◆ Can be used to clean commodes and urinals

AFBC

AFBC is a ready-to-use detergent/disinfectant formulated to clean and disinfect as well as deodorize hard, non-porous, inanimate surfaces. In addition, AFBC will deodorize areas that are generally hard to keep fresh smelling.

- ◆ Ready-to-use
- ◆ Disinfects, deodorizes, and cleans in one operation.
- ◆ Controls mold and mildew
- ◆ Phosphate free formula.
- ◆ Kills Mycobacterium Tuberculosis and other viruses

Day Lite

Day Lite is a non-acid tile, grout, and restroom cleaner formulated for safe use on all bathroom and shower room surfaces. This nonabrasive mixture removes soap scum, calcium deposits, dirt, water spots, body oils, and other soils.

- ◆ Rinses freely and completely
- ◆ Free of fumes and vapors, less than 1% VOC
- ◆ Contains no acids, alkalis, or abrasives
- ◆ Biodegradable
- ◆ Will not scratch or dull shiny surfaces
- ◆ Removes dirt but not the grout
- ◆ Safe on marble surfaces

Bath 'N Bowl

Bath 'N Bowl is a phosphoric, acid-based cleaner, delimer, and stain remover formulated to remove water hardness, stains, oxidation, urine, and more to their original appearance.

- ◆ Removes stains and deposits regular cleaners will not touch
- ◆ Safer than muriatic (hydrochloric) acid and more pleasant to use
- ◆ Can be diluted for economy of use
- ◆ Biodegradable

DX-50

DX-50 is a concentrated formula containing selected strains of natural enzyme producing bacteria that work to eliminate stains caused by urine, feces, vomit, and other organic matter.

- ◆ Contains over 80 billion enzyme producing bacteria per gallon
- ◆ No harsh chemicals
- ◆ Readily biodegradable
- ◆ Non-toxic
- ◆ Salmonella free
- ◆ EcoLogo Certified UL 2792

Drain & Septic Cleaner

Drain & Septic Cleaner combines three scientifically selected Bacillus bacteria in an incorporated multi-system to provide tremendous waste-digesting power in a convenient liquid form.

- ◆ Eliminates odors and organic waste the natural way
- ◆ Contains no solvents, caustics, or acids
- ◆ Will not harm plumbing
- ◆ Completely biodegradable
- ◆ Unblocks and prevents blockages of drains caused by organic waste

OxySmart SC

OxySmart SC is a state-of-the-art cleaner for all surfaces. It will brighten surfaces while it cleans, and the combination of hydrogen peroxide and D-limonene, makes cleaning easier.

- ◆ Biodegradable
- ◆ Cleans multiple surfaces
- ◆ Brightens while it cleans
- ◆ Removes stains
- ◆ Ideal for cleaning grout
- ◆ May be used through a multiple dilution dispensing system

Green Certified Hand Soaps

These products meet Green Seal™ Standard GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

Foaming Hand Soap

Foaming Hand Soap is a blend of mild cosmetic cleaning agents. It is certified by Green Seal™ as compliant to GS-41, the standard for a “green” hand cleaner. It contains no alkali and is effective in hard water. The pH is adjusted to be compatible with human skin. Foaming Hand Soap has a honey-almond fragrance and forms a dense stable lather, yet rinses freely and completely.

- ◆ Deep cleaning formula is mild to skin
- ◆ Not affected by hard water; leaves no soap scum
- ◆ Lightly scented
- ◆ Highly concentrated and forms copious foam
- ◆ Readily biodegradable
- ◆ Rinses freely and easily

White Pearl

White Pearl Hand Soap is a blend of mild cosmetic cleaning agents and skin conditioners. It contains no diethanolamine (DEA), or alkali, and is effective in hard water. The pH is adjusted to be compatible with human skin. White Pearl Hand Soap has a honey-almond fragrance and forms a dense lather, yet rinses freely and completely.

- ◆ Deep cleaning formula is mild to skin
- ◆ Not affected by hard water; leaves no soap scum
- ◆ Rich, creamy, viscous formula
- ◆ Lightly scented
- ◆ Contains only cosmetic grade materials
- ◆ Highly concentrated and forms copious foam
- ◆ Readily biodegradable
- ◆ Diethanolamine (DEA) free

Body and Hair Cleanser

Body & Hair Cleanser is a pH-balanced conditioning shampoo for use in bathrooms and showers on both skin and hair. This concentrated formula is strong enough for men, yet gentle enough for women and children.

- ◆ Pleasant mild scent suitable for both men and women
- ◆ Viscous formula is easy to use and control
- ◆ Rinses freely and easily; leaves no soap residue
- ◆ Does not dry out skin or scalp
- ◆ pH-balanced to reduce irritation or skin damage

Gentle Wash

Gentle Wash is a blend of mild cosmetic cleaning agents in a thick, pearly white liquid. Gentle Wash has a light floral fragrance and forms a dense lather, yet rinses freely and completely.

- ◆ Not affected by hard water; leaves no soap scum
- ◆ Viscous formula
- ◆ Lightly scented for acceptance by most people
- ◆ Highly concentrated and forms copious foam
- ◆ Completely biodegradable
- ◆ Rinses freely and easily
- ◆ Coconut oil-based

Sudsy Hands

Sudsy Hands is a gentle, yet effective, hand cleansing lotion made from coconut oil. This ready-to-use formula has a mild sassafras scent, and can be used in all types of wall or basin mounted soap or lather dispensers.

- ◆ Made from coconut oil
- ◆ Contains no lye or strong alkali
- ◆ Rinses freely and completely
- ◆ Leaves no soap scum or film
- ◆ Extra thick formulation

Glass Cleaners

Daycon's Glass Cleaners

Clear Choice	Solvent free cleaner	GAL	264857
Glass Cleaner	Amonia based cleaner	GAL 55 GAL	911860 LGC55GAL
RTU Blue	Solvent-free, ready-to-use, bio-based cleaner	QUART GAL 55 GAL	ND32710 404627 RTUBLUE55GAL

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

Clear Choice

Clear Choice is a Green Seal™ certified, concentrated glass and multi-surface cleaner. Its excellent cleaning and non-streaking performance is the result of state-of-the-art thin film polymer technology.

- ◆ Biodegradable
- ◆ No VOCs
- ◆ Dries streak-free
- ◆ Contains no solvents, caustics or acids
- ◆ Can be used on multiple hard surfaces
- ◆ No fragrance added

Glass Cleaner

Glass Cleaner is a high-efficiency, ammoniated glass & multi-surface cleaner for use on windows, mirrors, tables, and most shiny surfaces. This high-active formula cuts pollution, oil, and grime quickly.

- ◆ Dries quickly
- ◆ Will not streak or leave residue on surface
- ◆ Ammonia and solvents take care of pollution and smoke residue
- ◆ Cleans chrome and stainless steel
- ◆ Simple to use, just spray on and wipe dirt off

RTU Blue

RTU Blue is a state-of-the-art, non-ammoniated multi-surface cleaner made up of 80% bio-based material.

- ◆ No ammonia or strong solvents
- ◆ Low VOC's
- ◆ Safe on all plastics
- ◆ Dries quickly and leaves no residue or spots
- ◆ Pleasant to use, no strong smell
- ◆ Leaves surfaces that resist re-soiling and are easier to maintain
- ◆ 80% Natural/Bio-based materials
- ◆ Outstanding ecological profile

Specialty Cleaners

Daycon's Specialty Cleaners

Car Wash	Liquid car cleaner and shampoo	GAL	310961
Declor	Ice melt rinse aid	GAL	495262
Defoamer	Non-staining defoaming agent	GAL	334227
DuraShield	Duranotic aluminum and metal surface protectant & seal	GAL	DURASHIELDGAL
Ice Liquid Plus	Ice and snow pre-treatment	GAL	129732
Knock Out	Oven and grill cleaner	GAL 55 GAL	338833 KNOCK55GAL
Ready	Floor stripping neutralizer	GAL	744618

Car Wash

Car Wash is a highly concentrated blend of detergents and water conditioners designed to remove tough road soils without dulling the finish, removing the wax, or causing water spots.

- ◆ Will not streak or spot
- ◆ Completely biodegradable
- ◆ Will not harm paint, polycoats, or waxes
- ◆ Not corrosive to metal surfaces
- ◆ 1 oz. per gallon is all that's needed for most jobs
- ◆ Can be used in automatic or manual car washes

Declor

Declor is a highly-concentrated cleaner specially formulated to help remove salt, potassium chloride, calcium chloride, and urea from hard floors. Its high sequesterant value makes the materials more soluble and less reactive with soaps and detergents.

- ◆ Highly concentrated
- ◆ Safe on floor finish, marble, terrazzo, and other stone floors
- ◆ More effective than regular floor cleaning detergents

Durashield

Durashield is a protective coating for duranotic aluminum and other metal surfaces. It adds luster to the treated metal while protecting it from the weather and pollution.

- ◆ Easy to apply
- ◆ Restores luster and depth of color to surface
- ◆ Not oily or sticky; actually resists soiling
- ◆ Prevents many paint and ink type graffiti material from sticking to surface
- ◆ Not removed by water or most detergents

Ice Liquid Plus

Ice Liquid Plus is a 30% solution of Magnesium Chloride formulated to use on concrete, asphalt, and stone surfaces prior to an approaching snow storm or icy conditions.

- ◆ Works down to 5°F
- ◆ Does not irritate skin
- ◆ Will not track when used as directed - safe on floors and carpet
- ◆ Safe on concrete, asphalt, brick, stone, and metal surfaces
- ◆ Safe on vegetation, trees, shrubs, and grass
- ◆ Safe for use around animals and humans
- ◆ Effective road & sidewalk pre-wetting agent
- ◆ Economical to use

Defoamer

Defoamer is a silicone-based defoaming concentrate for use in any place where foam from soap, detergents, organic matter, oils, or other chemicals are a problem due to overflow and frothing.

- ◆ Prevents damage to vacuum motors
- ◆ Prevents overflow or frothing
- ◆ Allows you to pick up liquid to full capacity of tank
- ◆ May be added to detergent without loss of cleaning performance

Knock Out

Knock-Out oven and grill cleaner is a time proven, fast-acting, heavy-duty formula that removes grease, carbon, and baked-on food residue from the dirtiest stove, oven, fryer, grill, iron or stainless cookware.

- ◆ Begins to work instantly; no long waiting period
- ◆ No noxious fumes or vapors
- ◆ Removes the toughest baked on residues
- ◆ Works without heating oven
- ◆ Completely biodegradable

Ready

Ready is a stripping neutralizer and cleaner formulated with mild acids and penetrating agents. When used in the final rinse water at one ounce per gallon, it will rewet and penetrate all stripped surfaces and neutralize any residual alkali.

- ◆ Ensures better sealing and finishing
- ◆ Removes alkali and water hardness whitening
- ◆ Reduces rinsing time and effort
- ◆ Helps “rinse water” to spread and penetrate

Degreaser

Grease Release

Grease Release is a concentrated enzymatic formula designed to eliminate the build up of oil and grease.

- ◆ Contains over 146 billion enzyme producing bacteria per gallon
- ◆ No harsh chemicals
- ◆ Biodegradable
- ◆ Non-toxic
- ◆ Helps prevent slippery floors
- ◆ May be used in kitchens and bathrooms
- ◆ Excellent product for loading docks & dumpsters
- ◆ Helps maintain floor drains

Floor Cleaners

DX-50

DX-50 is a concentrated formula containing selected strains of natural enzyme producing bacteria that work to eliminate mal-odors and stains caused by urine, feces, vomit, and other organic matter.

- ◆ Contains over 80 billion enzyme producing bacteria per gallon
- ◆ No harsh chemicals
- ◆ Readily biodegradable
- ◆ Non-toxic
- ◆ EcoLogo Certified UL 2792

Great Stuff!

Great Stuff combines long-lasting biotechnology with state-of-the-art odor control chemistry to rapidly bind odor and stain causing molecules so they can be immediately degraded.

- ◆ Formulated for hard surfaces and fabrics
- ◆ Contains no solvents
- ◆ Neutralizes smoke odors
- ◆ Removes odors and stains
- ◆ Contains no VOCs
- ◆ Biodegradable
- ◆ Contains no caustics or acids

Kitchen/Restroom Cleaners

Grime Reaper

Grime Reaper combines advanced cleaning technology with beneficial specialized microbes that penetrate surfaces and degrade organic build-up and their associated odors.

- ◆ Contains over 200 billion enzyme producing bacteria per gallon
- ◆ No harsh chemicals
- ◆ Biodegradable
- ◆ Non-toxic
- ◆ Helps prevent slippery floors
- ◆ For use in restrooms, showers, locker rooms
- ◆ Helps maintain drains

Drain & Septic Cleaner
