

GREEN CERTIFIED CLEANING CHEMICALS

WWW.DAYCON.COM
1.800.394.0019

What is green cleaning?

Green cleaning is a complete approach to creating healthier, more sustainable facilities without harming the environment. It begins in development with a focus on green, followed by sustainable manufacturing processes to provide a product that is safer for our customers, their families and the environment. The products we create will have a long lasting impact on more than just the environment, which is why our approach to green cleaning and the future of sustainable generations to come is embedded at the forefront of everything we do.

Why choose green cleaning?

Advantages of green cleaning can be increased comfort levels and fewer sick days for occupants. Here's some of the ways green cleaning can positively impact industries:

Health Care Facilities

Hospitals and clinics are by definition filled with vulnerable populations. Not being exposed to harsh chemicals and solvents may reduce adverse physical reactions to already vulnerable patients and may speed up recovery rates among patients.

Schools and Universities

Students' ability to learn is directly related to the quality of their health. Additionally, the quality of indoor air environments has more negative impact on them than adults. Green schools show substantial reductions in absenteeism and nurse visits along with improvements in test score results.

Commercial Offices

Greening an office space can result in bottom line cost savings due to:

- ◆ Lower absenteeism
- ◆ Reduced insurance liability
- ◆ Better worker retention
- ◆ Higher marketability

Glass & Multi-Surface Cleaners

Leader in Sustainability

Cleaning Product

Independently certified under
Green Seal Standard GS-37

- **Conserves natural resources:** Concentrated product means less packaging and transportation impacts
- **Protects human health:** Product is non-toxic to humans, not formulated with carcinogens, and has minimal VOCs
- **Protects environmental health:** Product is biodegradable and non-toxic to the environment
- **Reduces waste:** Packaging is recycled, recyclable, or significantly minimized
- **A green product that works:** Evaluated for effective performance

For more information visit www.GreenSeal.org

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/ recycled packaging and protective limits on: VOCs and human & environmental toxicity.

These solvent-free formulas work on glass, Plexiglas®, Lexan®, mirror, metal, and other shiny surfaces. They dry quickly and streak-free.

The choice is clear.

- ◆ Contains no solvents, caustics or acids
- ◆ Can be used on multiple hard surfaces
- ◆ No fragrance added

- ◆ No VOCs
- ◆ Dries streak-free
- ◆ Biodegradable

Clear Choice

Designed for manual mixing at various dilution ratios.

1 Gal Concentrate
264857 4/cs

Spectra System 3 Clear Choice - 301

Designed for the Spectra System 3 dispensers only. Packaged with tamper proof inserts.

1 Gal Concentrate
106013 4/cs

Spectra System 2 Clear Choice - 21

Designed for the Spectra System 2 dispensers only. Packaged with tamper proof inserts.

0.5 Gal Concentrate
SPEC21 4/cs

Spectra System 4 Clear Choice - 401

Designed for the Spectra System 4 dispensers only. Packaged with tamper proof inserts.

0.5 Gal Concentrate
142521 4/cs

Degreasers & Emulsifiers

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

Heavy duty formulas designed to emulsify oil and grease. Formulated for difficult-to-clean areas such as trash rooms, kitchens, garages, machine shops, etc. These products remove exhaust, soot and road film without solvents or strong alkalis. Will not corrode metal and is safe on most industrial and commercial paints and permanent seals.

- ◆ Pleasant to use
- ◆ Contains no solvents, ammonia, caustics, or acids
- ◆ Will not corrode metal

- ◆ Can be used in automatic scrubbers
- ◆ Biodegradable
- ◆ Helps condition floor for dry burnishing

Essence

1 Gal Concentrate
816812 4/cs

Spectra System 3 Degreaze - 302

Designed for the Spectra System 3 dispensers only. Packaged with tamper proof inserts.

1 Gal Concentrate

Neutral Cleaners

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

Neutral, synthetic detergents that remove dirt, oil, grease, food, beverages, and other soils from finished floor surfaces, as well as walls, woodwork, counters, tables, and wallpaper.

- ◆ Will not dull, harm, soften, or discolor the floor finish at any concentration
- ◆ Safe on unfinished marble, slate, and sealed wood.
- ◆ Leaves no alkali residue
- ◆ No rinsing required when used at or below four ounces per gallon.
- ◆ Helps condition floor for dry burnishing
- ◆ Biodegradable

Kleeer 'n Brite
1 Gal Concentrate

Encapsulating Carpet Cleaners

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

These products meet performance standards set by the Carpet and Rug Institute (CRI).

These products meet the ULE (Ecologo) standard for products, services and packaging that are certified for reduced environmental impact.

High-efficiency, deep-cleaning formulas for extracting, shampooing, bonnet cleaning, and spotting. Contains an encapsulating polymer that traps soils and allows them to be vacuumed up without re-soiling. With this unique formula, there is no need to add defoamers, brighteners, or odor counteractants.

- ◆ Low foaming
- ◆ Built-in odor counteractants
- ◆ Safe for stain resistant carpets (low pH)
- ◆ Biodegradable, phosphate free
- ◆ Non-alkaline pH reduces brown-out
- ◆ No VOCs

Triad Plus

Designed for manual mixing at various dilution ratios.
1 Gal Concentrate
341873 4/cs

**Spectra System 2
Triad - 26**

Designed for the Spectra System 2 dispensers only. Packaged with tamper proof inserts.
0.5 Gal Concentrate
SPEC26 4/cs

**Spectra System 4
Triad - 406**

Designed for the Spectra System 4 dispensers only. Packaged with tamper proof inserts.
0.5 Gal Concentrate
142525 4/cs

**Spectra System 3
Triad - 306**

Designed for the Spectra System 3 dispensers only. Packaged with tamper proof inserts.
1 Gal Concentrate
274828 4/cs

**Gone II General
Purpose Spotter**

Can be used as a traffic lane pre-spray. Leaves no tacky residue to promote re-soiling. Ideal for use with Triad products.
1 Gal Concentrate
494440 4/cs

Restroom Cleaners

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

Mildly acidic restroom cleaners that remove lime, soap, scum, grease, and rust. They can be used on tubs, tile, shower stalls, glass shower doors, fixtures, toilets, urinals, and grout. These non-corrosive, non-fuming formulas are safe to use. These products contain no phosphates or VOC's.

- ◆ An organic salt that acts like an acid, having a pH of less than one
- ◆ Non-fuming
- ◆ Dissolves calcium carbonate buildups
- ◆ Does not contain hydrochloric acid, phosphoric acid, or hydroxyacetic acid
- ◆ Made-up of components affirmed by the FDA as generally recognized as safe (GRAS)
- ◆ Non-regulated product for D.O.T.
- ◆ Readily biodegradable

Vibrance
1 Gal Concentrate
224511 4/cs

**Spectra System 2
Vibrance - 27**

Designed for the Spectra System 2 dispensers only. Packaged with tamper proof inserts.
0.5 Gal Concentrate
SPEC27 4/cs

**Spectra System 3
Vibrance - 307**

Designed for the Spectra System 3 dispensers only. Packaged with tamper proof inserts.
1 Gal Concentrate
477476 4/cs

**Spectra System 4
Vibrance - 407**

Designed for the Spectra System 4 dispensers only. Packaged with tamper proof inserts.
0.5 Gal Concentrate
142526 4/cs

Oxygenated Cleaners

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

This all-purpose cleaner provides four different cleaning applications when set to varying dilution ratios while connected to the OxySmart or Spectra System 4 Dilution Control Systems. This is a highly concentrated and extremely efficient cleaner all in one bottle. Truly a smarter way to clean.

- ◆ Removes stains & brightens while it cleans
- ◆ Use in foam sprayer for vertical surfaces
- ◆ Ideal for cleaning grout
- ◆ Biodegradable

General Purpose Cleaners

These products meet Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity.

These pleasant smelling, general purpose cleaners are designed for every day cleaning on floors, walls, countertops, tables, touch points and other hard surfaces. Rinsing is not required when used at or below 3 ounces per gallon of water.

- ◆ Leaves long lasting, fresh fragrance
- ◆ Leaves no alkali residue
- ◆ Highly concentrated and economical
- ◆ Softens water to prevent spotting or streaking
- ◆ Helps condition floor for dry burnishing

Floor Care Products

These products meet the Green Seal™ Standard for Floor-Care Products for Industrial and Institutional Use, GS-40, based on their reduced human and environmental toxicity and reduced volatile organic compound content.

Crystal Brite meets or exceeds the CSPA and UL slip resistance standard of 0.5 minimum as tested on a James Machine by an outside laboratory in accordance with ASTM D2047-99 or UL Method 410.

Leader in Sustainability

Floor Care Product

Independently certified under
Green Seal Standard GS-40

• **Protects human health:** Product is non-toxic to humans, not formulated with carcinogens, and has minimal VOCs

• **Protects environmental health:** Product is biodegradable and non-toxic to the environment

• **Reduces waste:** Packaging is recyclable or significantly minimized

• **A green product that works:** Evaluated for effective performance

For more information visit www.GreenSeal.org

Crystal Brite Zinc-Free Floor Finish

Crystal Brite is a sealer/finish that has excellent scuff, scratch and heel mark resistance, and retains a high gloss under heavy traffic conditions.

1 Gal Concentrate
628909 4/cs

- ◆ High initial gloss and exceptionally clear finish
- ◆ Extremely durable, will not yellow
- ◆ May be dry burnished
- ◆ Contains no zinc or other heavy metals.
- ◆ Contains no alkyl phenyl ethoxylates (APE) or phthalates
- ◆ Low VOC content

Meteor Floor Finish Remover

Meteor is a high-efficiency, odorless, stripping concentrate. Its safe, low volatile solvent attacks the finish on the floor and not the occupants of the work areas. It can be used on heavy buildup and is safe on marble, terrazzo, vinyl, V.C.T.

1 Gal Concentrate
415018 4/cs

- ◆ Very safe to work with and use around people
- ◆ No neutralization necessary
- ◆ Leaves no alkaline residue
- ◆ Low foaming and can be easily rinsed
- ◆ Low VOC content
- ◆ Ideal for use in hospitals, nursing homes, stores, lobbies, or anywhere odor can be a problem

Hand Soap

Leader in Sustainability

Hand Cleaner

Independently certified under
Green Seal Standard GS-41

- **Protects human health:** Product is non-toxic to humans, is not a skin irritant, was not formulated with carcinogens, and has minimal VOCs
- **Protects environmental health:** Product is non-toxic to the environment and is biodegradable
- **Reduces waste:** Packaging is recyclable or significantly minimized
- **A green product that works:** Evaluated for effective performance

For more information visit www.GreenSeal.org

The following products meet the Green Seal™ Standard for Institutional Hand Cleaners, GS-41, based on their reduced human and environmental toxicity and reduced volatile organic compound content.

Foaming Hand Soap

Foaming Hand Soap is a blend of mild cosmetic cleaning agents that forms a dense stable lather, yet rinses freely and completely.

1 Gal Concentrate
932856 4/cs

- Deep cleaning formula is mild to skin
- Not affected by hard water; leaves no soap scum
- Light honey almond scent
- Highly concentrated and forms copious foam
- Readily biodegradable

White Pearl

White Pearl is a blend of mild cosmetic cleaning agents and skin conditioners that forms a dense lather, yet rinses freely and completely.

1 Gal Concentrate
766423 4/cs

- Deep cleaning formula is mild to skin
- Not affected by hard water; leaves no soap scum
- Rich, creamy, viscous formula
- Light honey almond scent
- Contains only cosmetic grade materials
- Readily biodegradable
- Diethanolamine (DEA) free

Microbiological Surface Cleaners

These products are EcoLogo Certified UL 2792 microbiological surface cleaners. They are both non-toxic and great for use in hospitals, schools, or anywhere organic soils originate.

UL ECOLOGO Certified products, services and packaging are certified for reduced environmental impact. ECOLOGO Certifications are voluntary, multi-attribute, lifecycle based environmental certifications that indicate a product has undergone rigorous scientific testing, exhaustive auditing, or both, to prove its compliance with stringent, third-party, environmental performance standards.

DX-50

Biological Surface Cleaner

DX-50 is a concentrated formula containing selected strains of natural enzyme-producing bacteria that work to eliminate stains caused by urine, feces, vomit, and other organic matter.

1 Gal Concentrate
406035 4/cs

- Contains over 80 billion enzyme producing bacteria per gallon
- No harsh chemicals
- Readily biodegradable
- Non-toxic
- Designed for organic matter clean up

Grime Reaper Bio-Enzyme Cleaner & Degreaser

Grime Reaper combines advanced cleaning technology with beneficial specialized microbes that penetrate surfaces and degrade organic build-up and their associated odors.

1 Gal Concentrate
564688 4/cs

- Contains over 200 billion enzyme-producing bacteria per gallon
- No harsh chemicals
- Biodegradable
- Helps prevent slippery floors
- Helps maintain drains
- Designed for restrooms

Our Dedication to Sustainability

At New Dawn Manufacturing, it is our mission to develop the most environmentally responsible chemical solutions for the cleaning and maintenance industries. Our customers can be assured they are receiving the most sustainable products, and that New Dawn has their families, communities and planet at the forefront from product conception to its end use. Our associates take pride in helping to better the lives of our consumers and the environment, and they understand that task never ends.
